### **Hear Us Now! – The Original Denver Metro Tea Party Group – Why We Endorse Candidates**

DENVER – Hear Us Now! endorses candidates preparing to enter public service who embrace the 9 Principles and 12 Values adopted by the 9-12 Project, and who desire to restore our Constitutional Republic espoused by the Tea Party movement. We strive to provide a voice to the constitutionally committed American citizens of Colorado who have shouted from atop our majestic mountains to the dominant political parties, the members of the Colorado Statehouse, and the resident officials in Washington who do not – or will not – hear us. They will **Hear Us Now!**

Hear Us Now! examined candidates from several races and selected those who demonstrated the strongest commitment to uncompromisingly uphold our Constitution of the United States and the State of Colorado's. These candidates recognize that the life of our Republic is at stake and they have expressed the courage to restore our State and Nation to their principled, solid-rock foundations.

With deep gratitude, Hear Us Now! is pleased to endorse the following candidates for their respective offices:

- Mr. Dan Maes – Governor of the State of Colorado,
- Mr. Ken Buck – United States Senate,
- Mr. Lang Sias – United States House of Representatives, CD-7,
- Mr. Kent Lambert – Colorado State Senate –, and
- Mr. Mark Barrington – Colorado House of Representatives, HD-26.
